Report of Director and School Improvement Council

BJ Skelton Career Center has moved into a new facility with a new name, the Pickens County Career and Technology Center. With our new facilities and new name there is a new atmosphere and culture of work in our building. Our four core values are: Responsibility, Respect, Discovery and Excellence. The faculty and staff at the Pickens County Career and Technology Center strive to: enable our students to be thoughtful stewards of all our resources; be accountable to ourselves, each other and the public we serve; therefore, becoming Responsible citizens in society. We aim to foster in each student a Respect for one's self and an appreciation of others. We strive to help each student trust in the process of Discovery in all learning and to pursue Excellence through diligent effort, both individually and collectively. The Pickens County Career and Technology Center is accredited by the Southern Association of Colleges and Schools. We have identified goals aligned with the Technology Centers That Work (TCTW) school improvement initiatives in order to focus for continuous improvement. Action plans have been developed to address the TCTW goals, which are also aligned with our accreditation goals. The Carl Perkins Standards for our state have changed and we are ramping up our efforts to meet the new bench marks. This year we completed staff development as a faculty to improve our instructional skills and to better understand the learning process. As our students are applying the Discovery process to their learning, staff members are also developing our teaching abilities and learning by discovering new strategies of teaching. We strive for Excellence in our instructional focus. The taxpayers of Pickens County can be proud of the new facilities and of the accomplishments of the Pickens County Career and Technology Center. We continue to develop new partnerships with the local businesses and industries in the area. Many of our students involved in Career and Technology Student Organizations will be representing the Pickens County Career and Technology Center and the State of South Carolina in National events this summer. We had 21 state gold medal winners this year.

Dr. Steward Baylor serves as our School Advisory Committee chair. Leonard Williams serves as our director.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	N/AV
Overall Grade Conversion	N/AV

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Pickens County Career and Technology Center school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☐ Title I School – does not qualify as Reward, Focus or Priority School.
- ☐ Non-Title I School – therefore the designations above are not applicable.
